PRESIDENT FOREMAN: Good evening, all.
Thank you for joining us. My name is Ghian Foreman. I am the president of the Chicago Police Board, and I am calling the Board's April 21st public meeting to order.

To protect the public's health in response to the COVID-19 pandemic, this meeting is taking place remotely.

Pursuant to the Illinois Open Meetings Act, I've determined that holding this meeting in person is not practical nor prudent.

The City of Chicago remains subject to the Governor's disaster proclamation due to the COVID-19 pandemic, and the disease continues to be a threat, especially to the unvaccinated and people with certain health conditions. We are therefore having the meeting remotely this month.

This meeting is open to the public via video and audio conference and being carried live by CAN-TV. Members of the public are on mute in order to reduce background noise and disruptions. We do have a court reporter making

10 EXECUTIVE DIRECTOR CAPRONI: Good evening.

11 PRESIDENT FOREMAN: We will now proceed to
12 the items on the meeting agenda. We will have
13 time at the end of the meeting for public
14 comments. Once again, members of the public are
15 currently on mute in order to reduce background
16 noise and disruptions. When we get to the public
17 comment portion of the meeting, we will unmute
18 each speaker.

19 First, we are honored to have with
20 us this evening State Senator Elgie Sims and
21 State Representative Justin Slaughter who will
22 speak on the Illinois 2023 budget, its impact on
23 police and law enforcement.

24 Senator, Representative, thank you

1 so much. I know both of you a little bit
2 personally. Great to have you here. Hoping that
3 you can shed a little bit of light for us. So
4 first thank you for having us and I will turn the
5 floor over to you.

6 STATE SENATOR SIMS: Thank you, Mr. Chairman
7 and Board members, for having us this evening.

8 As Chairman Foreman had mentioned,
9 my name is Elgie Sims. I have the honor and
10 privilege of being the State Senator of the
11 Illinois 17th District and Chairman of the Senate
12 Appropriations Committee.

13 I want to thank Chairman Foreman
14 for inviting me and also my good friend Paula
15 Wolff for making sure I got here this evening.

16 Representative Slaughter --
17 Chairman Slaughter and I have been working very
18 hard to make sure that the public safety
19 investments we make have a positive impact on our
20 community.

21 Let me take a moment to crow for a
22 little bit and do a victory lap, because just
23 today, Illinois was recognized again for making
24 good financial decisions. We received a second

1 credit rating upgrade from Moody's. That is our
2 third credit rating upgrade within the last two
3 years. First time in a generation that Illinois
4 has had credit rating upgrades. That speaks to
5 the investments we are making in a positive
6 manner -- they're having a positive impact on our
7 communities, and public safety investments in
8 education, investments in healthcare, because I
9 don't have to tell this Board that the decisions
10 that you make and the impact that you are having
11 are the result of root causes of crime that are
12 happening.

13 Educational deserts, healthcare
14 deserts, food deserts, and those are all the
15 things that Representative Slaughter and I
16 continue to fight for and make sure that we pass
17 budgets that are investing in those types of
18 activities.

19 What we saw in the fiscal '23
20 budget, that there are \$4 million in grants for
21 local law enforcements for costs associated with
22 the National Integrative Ballistics Information
23 Networking equipment. \$2 million in grants for
24 law enforcement task forces to reduce crime. \$19

1 million in other state funds for three new cadet
2 classes at the Illinois State Police. Almost \$34
3 million for local law enforcement training --
4 local law enforcement camera grant fund. These
5 grants are used for local law enforcement
6 agencies to purchase body-worn cameras or in-car
7 cameras. But there -- there was an expansion of
8 the scope of those grants to include and allow
9 for the payment of data storage costs associated
10 with the body-worn cameras.

11 There's another \$10 million for the
12 Law Enforcement Officer Retention Pilot Program
13 to allow for recruitment and retention activities
14 for local police departments.

15 Another \$5 million to the City of
16 Chicago for officer training and recruitment
17 specifically.

18 And then almost \$36 million for
19 grants and reimbursements to local law
20 enforcement departments for training. Training
21 includes trainings for new officers, as well as
22 in-service training for current law enforcement
23 officers.

24 So we are investing in making sure

1 that we improve the professional policing. All
2 the work that you are doing each and every day
3 for the citizens of the City of Chicago, we
4 continue to make sure we are investing in those
5 activities across the State of Illinois, while at
6 the same time supporting those activities.

7 I want to pause there and let
8 Chairman Slaughter chime in and answer any
9 questions if members of the Board might have any.

10 STATE REPRESENTATIVE SLAUGHTER: Good
11 evening. Thank you, Chairman Sims. I am State
12 Representative Justin Slaughter, Chairman of the
13 House of Judiciary Criminal Committee. Been at
14 the forefront of public safety matters. Of
15 course we got a lot to talk about that is
16 happening over the last 18 months. And really
17 wanting to bring this group up to speed. Of
18 course in January of 2021, I was passing the
19 Safety Act which not only had police reform but
20 also had some sentencing reforms that was
21 highlighted by the Pretrial Fairness Act, which
22 is eliminating cash bail.

23 Of course we also -- something that
24 Chairman Sims was also at the forefront of, and

1 really just enjoyed his collaboration, was
2 passing the Reimagine Public Safety Act, which is
3 the largest investment in state history. When
4 you talk about violence prevention, that effort
5 on its way and in its beginning phases in terms
6 of implementation now with the Department of
7 Human Services. We're really proud of that.

8 Chairman Sims mentioned several
9 different programs that we really wanted to hone
10 in on and prioritize.

11 Also wanted to take a step back
12 with some things that we did in 2021, towards the
13 later end of last year. One of the highlights of
14 the Safety Act was the decertification piece.
15 This was a piece that was -- had a lot of law
16 enforcement stakeholders at the table. Attorney
17 General Kwame Raoul being at the forefront of
18 that. We've moved that effective date back to
19 July. A lot of state resources going into that.
20 Wanting to build out a more robust system to
21 really honor our officers, right? But when you
22 are rooting out those bad apples, you're also
23 putting in a lot of system changes that will be
24 able to effectively rule out, in essence, a

1 licensing sort of apparatus for law enforcement
2 officers. That was really, really important.

3 One big couple ones I wanted to
4 just touch on. This session was the First
5 Responder Program. Within the framework of the
6 Safety Act, this was a provision that both
7 Chairman Sims and I really wanted to get in
8 there. We were able to bring that more to life
9 with this budget. We're going to be -- Chicago,
10 for example, already having some co-responder
11 pilots on their way, but now we're going to see
12 this more robustly, more diversely rolled out
13 throughout the state. So very, very proud of
14 that.

15 Another one I want to bring to
16 light, and then we can kind of open this up, is
17 the Witness Protection Program. This is
18 something that Speaker Welch actually when he was
19 a State Rep Welch championed I want to say like
20 six years -- or about six years ago, maybe five
21 years ago. It hadn't been funded. With the
22 leadership of Chairman Sims in his role as the
23 Senate Budget Chair, we were able to get that
24 funded. That was a big piece for us, not just

1 Illinois, but a lot of states across the country
2 dealing with trying to build out more robust
3 witness protection programs.

4 We know how important that will be
5 to law enforcement. So these are just some
6 highlights that we wanted to really prioritize.

7 This last year and a half has been
8 a balancing act, believe it or not. Wanting to
9 protect the progress, the reforms that we've
10 made, but at the same time understand the
11 paramount concern with crime and violence and
12 also public safety as well. So I think we did a
13 great job of that this session in protecting
14 those, that progress, but at the same time
15 looking at what we can do to support law
16 enforcement. And I'll stop there.

17 STATE REPRESENTATIVE SIMS: And let me build
18 on for a moment.

19 As Chairman Slaughter mentioned,
20 there's been -- and, again, I'm not saying
21 anything to this Board that you haven't already
22 heard from your work. There is this natural
23 belief that there is an attack on law
24 enforcement, which is not the case. We are

1 certainly -- we are attempting to improve the
2 profession, but we are also attempting to improve
3 relationships between law enforcement and
4 communities.

5 Rhetoric is one thing but actions
6 are something different.

7 And that's what we have tried to
8 do. What you will hear Chairman Slaughter and
9 myself say often, you will hear the word
10 collaboration come out of our mouths. We have
11 tried to collaborate with individuals across the
12 spectrum, be they in law enforcement, or be they
13 community members, be they advocates, or be they
14 professionals in the police departments.

15 We are trying to collaborate and
16 strike that balance to understand and bring all
17 perspectives to the table. That's why you saw
18 that very concerted effort to make direct
19 investments into policies and procedures that we
20 talked about, into policies and procedures that
21 will help you do the work that you're doing
22 better.

23 We've tried to make sure that we
24 modernized training programs across the state.

1 Make sure that we've invested -- we put
2 significant investments into training protocols
3 across the state for the Illinois Law Enforcement
4 Training and Standards Board.

5 This was -- a critical piece to our
6 discussions were the body-worn cameras. We heard
7 significant challenges expressed by departments
8 having to be able to use their resources and have
9 the access to the Camera Grant Fund that was made
10 available at the state level, but then also being
11 able to pay for storage.

12 So it was critical that we allow
13 for individual departments to be able to have
14 access and utilize those resources in the most
15 effective way possible. Because as Chairman
16 Slaughter mentioned, one of the critical pieces
17 of the Safety Act was the certification and
18 decertification process. Again, what this Board
19 does each and every day. We were having those
20 situations where under the prior two passes of
21 the Safety Act, there were only a handful of
22 individuals who were decertified because they can
23 only be decertified upon conviction of a crime.
24 So that we wanted to make sure that we built

1 those protocols in that would give the ability
2 for a force like this one to have effective
3 deliberations to be able to hold bad actors
4 accountable, while also recognizing that there
5 are instances where you have to -- that you and
6 the Department need to be able to make decisions.
7 So we wanted to be able to do that.

8 So, again, I'll pause there. Take
9 a breath. Mr. Chairman, again, I don't know if
10 you -- if members want to ask us questions. We
11 are certainly available to do that.

12 PRESIDENT FOREMAN: Thank you very much. We
13 probably will hold off on questions. But I would
14 like to thank you. So many times our perspective
15 is that of the City of Chicago and the Chicago
16 Police Department. So it's really good to get an
17 understanding of how the State of Illinois and
18 the City of Chicago, how the funding works from
19 there. It's something that I think I knew at a
20 high level. But to hear you speak specifically
21 about some of the budget line items that we deal
22 with on a regular basis, the training and that,
23 cameras, and that kind of thing, it's refreshing
24 to hear that.

1 And definitely we look forward to
2 working with you more in the future.

3 Any Board members, are there any
4 questions before we excuse them? We tried to put
5 you at the beginning of the agenda. So,
6 Representative Slaughter, I heard the baby in the
7 background.

8 REPRESENTATIVE SLAUGHTER: You could hear my
9 two year old. So I apologize about that. But,
10 yeah, she's wanting daddy to play with.

11 PRESIDENT FOREMAN: Wonderful. Thank you
12 very much. You're always welcome at the Police
13 Board. Thank you so much.

14 STATE REPRESENTATIVE SIMS: Thanks so much
15 for the appreciation.

16 I will be remiss if I didn't
17 acknowledge First Deputy Carter. Also my good
18 friend Board Member Zopp. Thanks, all, for
19 having us.

20 REPRESENTATIVE SLAUGHTER: Yes, thank for
21 having us. What's up, Eric? And thank you,
22 Paula, for having us. And thank you, Chairman
23 Foreman.

24 PRESIDENT FOREMAN: Okay. Thank you, Board

POLICE BOARD PUBLIC MEETING
April 21, 2022

1 members, is there a motion to adopt the meet --
2 to approve the meetings of the Board's March 17th
3 regular public meeting?

4 VICE PRESIDENT WOLFF: I move to approve
5 those minutes. Paula Wolff.

6 BOARD MEMBER FLORES: Board Member Flores.
7 I second.

8 CHAIRMAN FOREMAN: All in favor, please
9 signify by saying aye.

10 (CHORUS OF AYES.)

11 PRESIDENT FOREMAN: Any opposed?

12 (NO RESPONSE.)

13 PRESIDENT FOREMAN: The motion passes.

14 Our next regular public meeting
15 will be held Thursday, May 26th, at 7:30 p.m.
16 Please note that this is the fourth Thursday of
17 the month. Typically we have our meetings the
18 third Thursday. This will be the fourth Thursday
19 of the month. Whether this will be an in-person
20 meeting or remote will be determined closer to
21 the meeting date.

22 The Police Board meets in executive
23 session to consider personnel matters and
24 litigation. Those discussions of personnel and

1 litigation are closed to the public as authorized
2 by Section 2(c)(1), (3), (4), and (11) of the
3 Illinois Open Meetings Act. A summary of items
4 discussed in the executive sessions is posted in
5 the minutes of the meetings on our website.

6 Is there a motion to close those
7 sessions as authorized by the Open Meetings Act?

8 BOARD MEMBER WOLFF: So moved. Paula Wolff.

9 BOARD MEMBER FLORES: Second. Steve Flores.

10 PRESIDENT FOREMAN: All in favor, please
11 signify by saying aye.

12 (CHORUS OF AYES.)

13 PRESIDENT FOREMAN: Any opposed?

14 (NO RESPONSE.)

15 PRESIDENT FOREMAN: The motion passes.

16 A report of disciplinary actions
17 taken by the Board during the previous month has
18 been made available on the Board's website.

19 There are no police disciplinary
20 cases on the agenda this evening.

21 As you may know, the Independent
22 Monitor recently issued a report on the City's
23 compliance with the Consent Decree on policing in
24 Chicago.

1 The Police Board continues to make
2 significant progress. Of the 13 paragraphs the
3 Board is responsible for implementing, I am
4 pleased to report that the Monitor found the
5 Police Board to be in full compliance on nine
6 paragraphs and preliminary compliance with three
7 paragraphs. One paragraph remains under
8 assessment.

9 The Monitor's latest report and
10 other information on the Consent Decree are
11 posted on the Board's website.

12 Next I want to turn it over to
13 First Deputy Eric Carter. Before I do so, I
14 would like to give my personal thank you to the
15 Police Department and specifically Deputy Chief
16 Muhammad. I had a good friend who was a victim
17 of a homicide last week. And not only was it
18 tough on us, you know, friends who went to high
19 school and college with him, but very difficult
20 on the family. And so talked to my friend's mom,
21 and she spoke very -- in a place of pain but very
22 grateful for the service that she was receiving
23 from the Police Department.

24 As I hand it over to you, my thank

1 you from the community.

2 FIRST DEPUTY CARTER: Thank you, President
3 Foreman.

4 Good evening to all the Police
5 Board members and the community members joining
6 us here this evening. Your partnership is what
7 makes the difference in the City of Chicago.

8 Last month, Superintendent Brown
9 shared how the Chicago Police Department remains
10 committed to visibility, engagement, and
11 collaboration.

12 We know that's how we transform the
13 culture of the Department to build a more
14 efficient Department.

15 We stand firm in our efforts to
16 ensure public safety by growing community trust
17 and strengthening our investigations.

18 And we're making progress. Looking
19 at crime citywide, I want to highlight important
20 numbers coming off of this weekend. Homicides
21 are down nine percent and shootings are down 14
22 and a half percent. So far this year, our
23 offices have cleared 105 homicide cases with a
24 clearance rate of 65.62 percent.

1 Officers are working hard. This
2 past weekend alone, officers took 76 guns off the
3 street. That makes a total of 3,133 firearms
4 recovered since the start of the year.

5 We've also made 431
6 carjacking-related arrests, and 85 of those
7 arrests were for vehicular hijacking.

8 A more sobering statistic is that
9 over half, 53 percent, of this year's vehicle
10 hijacking arrests were juvenile offenders.
11 That's why CPD is working hard in the community
12 and with the community. We know it's what we'll
13 have to do to make a difference.

14 The Department's intensifying both
15 our community outreach and recruitment efforts.
16 While we build a more diverse Department, we are
17 still making sure residents are connected to
18 vital services.

19 Whether it's youth programming or
20 health-related advocacy, CPD is involved in
21 collaborating with City and community partners.

22 As a quick example, Cops and Kids
23 Chess, and the Police Athletic and Arts League,
24 and a number of other programs are inspiring kids

1 across the City, and our neighborhood police
2 initiative is making inroads at every level of
3 the community.

4 Officers are available and
5 committed to providing support and information to
6 residents of all ages.

7 The Department is also making every
8 effort to solve crimes, past and present.

9 As you've traveled around the City,
10 you may have noticed ads for the Department's new
11 cold case series.

12 With the City's support, we will
13 air weekly episodes sharing unsolved cases to
14 garner new tips and new leads.

15 The Chicago Police Department is
16 working hard and it all points back to trust.

17 During the IMR 5 marking period,
18 CPD reached a level of compliance of 72.6 percent
19 of assessed paragraphs. That shows our continued
20 progress in implementing policies and systems
21 that will keep building trust between police
22 officers and residents.

23 If I did not say it enough, trust
24 is essential. Because we are working together in

1 the most effective way, we will enhance the
2 safety of Chicago.

3 Thank you. And I'll turn it back
4 to you, President Foreman.

5 PRESIDENT FOREMAN: Thank you very much.

6 Next, Deputy Chief -- First Deputy
7 Chief Ephraim Eaddy, turn it over to you for your
8 report.

9 DEPUTY CHIEF EPHRAIM EADDY: Appreciate the
10 opportunity to speak before the Board, President
11 Foreman, and all the Board members and all the
12 members of the public.

13 I just wanted to highlight a few
14 things regarding COPA operations and outcomes and
15 also our engagement.

16 We just posted our quarterly
17 report. Actually, if I'm not mistaken, it was
18 earlier this week. And so I just want to lift up
19 some highlights of things that occurred, not only
20 over the past month but also over the past
21 quarter.

22 Much of what I will discuss again
23 will be around outcomes, but as COPA is a part of
24 public safety and ensuring that we are hearing

1 from the community and remaining transparent with
2 all of our City partners, I think it's important
3 that I hit on a couple of topics.

4 So, one, COPA received during the
5 past quarter over a thousand complaints.
6 Actually, 1,133 complaints and notifications to
7 be exact.

8 Some of the highest levels of
9 complaints received as it pertains to districts
10 is Districts 11, 8, 5, and 18.

11 During the past quarter, COPA
12 received four notifications of officer-involved
13 shootings. COPA concluded 273 investigations
14 during the first quarter. Released nine
15 transparency cases pertaining to officer-involved
16 shootings, that represented some 30 plus
17 transparency materials; those are body-worn
18 cameras and things of that nature.

19 Also, something significant
20 occurred during the past quarter. Alderman Matt
21 Martin introduced an amendment to COPA's
22 ordinance that would further expand COPA's
23 investigatory jurisdiction over allegations of
24 sexual misconduct of members of Chicago Police

1 Department. And so we have, I will say, expanded
2 at that level.

3 COPA -- outside of the polarizing
4 outcomes that can come alongside of our concluded
5 investigations, COPA has been working with the
6 Chicago Police Department and have given feedback
7 on CPD's constitutional policing training module
8 and sat with members of CPD to give feedback on
9 their needs assessment for their 2023 training
10 plan.

11 COPA is always looking for
12 opportunities to partner with the Chicago Police
13 Department, to provide recommendations and
14 feedback, and CPD has been an excellent partner
15 in receiving that feedback and obviously working
16 together.

17 I had an opportunity over the past
18 30 days to sit down with the Superintendent and
19 his leadership team. Chief Kersten, obviously
20 being confirmed back in February, was our first
21 opportunity to do so. And they welcomed us
22 graciously.

23 Also want to talk just a little bit
24 about some high-profile investigations that we

1 closed within the past -- over the past quarter
2 and some just even within the past week.

3 Much media attention and public
4 interest is around the fatal shooting of Anthony
5 Alvarez. We closed that investigation, as we
6 also did close the investigation of the fatal
7 shooting of Adam Toledo, and we released press
8 statements to notify the public regarding those.

9 Also want to mention that we have
10 participated in numerous community meetings, as
11 Chief Kersten is new in her position as confirmed
12 Chief Administrator. We have been very active on
13 the west side of Chicago as well as the north
14 side of Chicago. We will be coming south next.
15 Our continued focus is on engaging the community,
16 not only with who we are and what we do, but also
17 providing some clarity and expectations of what
18 they can have of us as a civilian-led body.

19 Also, we have met with numerous
20 community groups that worked directly with young
21 people. Young people are essential to our
22 outreach, and so we continue to engage, and we
23 look forward to being able to report out some of
24 the partnerships that we have developed and the

1 work that young people will be doing in
2 partnership with our office.

3 So those are just a few things that
4 I wanted to lift up today. And then also we have
5 participated in presenting to recruit classes for
6 the past five years, as we come up on COPA's
7 five-year anniversary in September. We have
8 attended every recruit class and every
9 promotional sergeant and lieutenant class. So we
10 really appreciate these opportunities to meet
11 with those coming police officers and then
12 obviously those that are being promoted.

13 That is the update from COPA for
14 this month. Thank you.

15 PRESIDENT FOREMAN: Thank you very much. I
16 will now call upon members of the public who
17 signed up in advance to speak. To make sure we
18 have time to hear from all speakers, there's a
19 two-minute time limit on comments.

20 Our first speaker, Saul Arnow.
21 Saul is a member of our Youth Board. And, First
22 Deputy, I know that they are going to arrange a
23 trip to come to Public Safety Headquarters to
24 learn a little bit about CPD's work.

1 First Deputy Eaddy, I would
2 definitely invite them to come and visit you all.
3 It's been a good experience. To kind of speak
4 with them, to kind of help them understand the --
5 the young people understand how our public safety
6 system works.

7 So I'm sure we will hear some
8 amazing comments from them. But definitely this
9 is the kind of work that our young people are
10 doing.

11 So I would like to make sure that,
12 you know, COPA, as well as First Deputy, when
13 they get an opportunity to come, that you all
14 welcome them with open arms. Saul.

15 MR. ARNOW: Hello, everyone. Thank you,
16 President Foreman. It is a pleasure to be here.
17 My name is Saul Arnow, and I'm here as a
18 representative of the Chicago Youth Council for
19 Police Accountability to share a couple of
20 updates on behalf of our group.

21 Firstly, the Youth Council's begun
22 working with the Police Board to schedule a tour
23 at the Police Department HQ, as you mentioned.
24 We've connected with a sergeant at public safety

POLICE BOARD PUBLIC MEETING
April 21, 2022

1 HQ, and we're hoping to take the tour in May in
2 order to connect us further with the Police
3 Department and make further connections. We're
4 also excited to hear some updates regarding our
5 panel series. It's confirmed to be held at the
6 North Halsted Center on Sunday, May 22nd, from
7 1:00 p.m. to 4:00 p.m., and all Police Board
8 members are formally invited.

9 With that, we are incredibly
10 thankful to President Foreman for agreeing to be
11 a panelist as part of the event. And we're also
12 working to partner with NAMI Chicago who are
13 already working with the Police Board. And we're
14 now in the marketing phase for our event. CPS
15 will be promoting it among students. And we've
16 also reached out to other organizations. And
17 these are the updates we have to share. Thank
18 you.

19 PRESIDENT FOREMAN: Thank you very much.
20 Our next speaker, Crista Noel. Ms. Noel, if you
21 can press *6. Crista Noel.

22 MS. NOEL: I'm here. Good evening.

23 PRESIDENT FOREMAN: Good evening.

24 MS. NOEL: Good evening, everyone. Once

1 again, I only have one question, and that's
2 specifically about Nikkita's case. What's the
3 decision?

4 PRESIDENT FOREMAN: Is that with First
5 Deputy or COPA -- I don't know the status of
6 where that is.

7 DEPUTY CHIEF EPHRAIM EADDY: We closed that
8 investigation, if I am not mistaken, it was --
9 would have been November/December last year. I
10 don't have the exact date. If I'm not mistaken,
11 it is still with the Chicago Police Department.

12 PRESIDENT FOREMAN: First Deputy or Dana, do
13 you have any updates?

14 GENERAL COUNSEL O'MALLEY: First Deputy,
15 would you like me to take it?

16 FIRST DEPUTY CARTER: Please.

17 GENERAL COUNSEL O'MALLEY: That case was
18 referred to the Department of Law.

19 PRESIDENT FOREMAN: Okay. Ms. Noel?

20 MS. NOEL: And what does the Department of
21 Law do?

22 FIRST DEPUTY CARTER: Please go ahead, Dana.

23 GENERAL COUNSEL O'MALLEY: The Department of
24 Law represents the Superintendent in separation

1 hearings.

2 MS. NOEL: Okay. Thank you.

3 PRESIDENT FOREMAN: All right. Thank you.

4 Our next speaker is Jennifer

5 Edwards.

6 MS. EDWARDS: Good evening, everybody. A

7 little background from a community member's

8 perspective.

9 Together We Can is a community and
10 CPD-led project that the community of the 3rd
11 District has participated in over the last year,
12 rain or shine.

13 The goal of the project is to
14 reduce violence while engaging in weakly
15 examinations of crime in our area, joint
16 community planning, and CPD and community walks,
17 often in previous crime areas with recent
18 activities. This includes walking with DCOs,
19 DIOs, tactical officers, community and Cook
20 County Sheriffs. One aspect of the project is to
21 involve block clubs, clergy, schools, and
22 community organizations in this process, which
23 has contributed to a noticeable crime reduction
24 in shootings, homicides, motor vehicle thefts,

1 some classified as carjackings, and robberies.

2 Together We Can weekly and biweekly
3 walks and postings have brought more visibility
4 and neighborhood collaboration of many age groups
5 with CPD.

6 We get to know our officers by
7 name, by face, and reach out to them when some
8 community members are afraid to do so.

9 We know this helps with officer
10 morale and with people who are afraid to speak up
11 about what's going on in our neighborhood.

12 Because of this project, we also
13 see the need of recruiting more people from our
14 areas to apply for the job. We're telling our
15 community, You can't change things if you are not
16 part of it.

17 We've planned with Deputy Chief
18 Bulnes a recruitment event on May 5th.

19 I sent an extra flyer to you, Mr.
20 Foreman. We hope that Superintendent Brown and
21 the executive officers will attend. This is at
22 Culver's on 33rd.

23 We strongly request that CPD
24 embraces the Together We Can project on the south

1 side of Chicago. It has shown a big reduction in
2 crime already.

3 We know CPD can't do it by
4 themselves. You need us as much as we need you.

5 PRESIDENT FOREMAN: Thank you, Ms. Edwards.
6 I've attended some of the meetings and I see how
7 the community has an opportunity to work hand in
8 hand with CPD, and I can testify that it's a
9 great effort.

10 Our next speaker, Zed Braden. If
11 you can press *6 to unmute. Zed Braden.

12 Our next speaker, Sharon Banks
13 Pincham. If you can press *6 to unmute.

14 MS. PINCHAM: Thank you. Good evening. My
15 name is Sharon Banks Pincham, and I am the
16 president of the West Chesterfield Community
17 Association.

18 Our organization has cooperated
19 with the entities here this evening to
20 collaborate on events to highlight the necessity
21 of our police and to invite them into our
22 community.

23 The activities engaged in by
24 Together We Can support the law-abiding and

1 thwart the elements that might plague the
2 neighborhoods.

3 Together We Can is designed to
4 bring the efforts of individual entities to a
5 collective station, share tried experiences, both
6 successful and unsuccessful, and ideas, as well
7 as having the law enforcement experts weigh in at
8 the same interval.

9 Together We Can has also served as
10 a valuable resource bank. They invite services
11 to the table that may be unknown to our
12 communities. This knowledge is always beneficial
13 and helps in making future plans. I certainly
14 hope that the Police Board codifies the Together
15 We Can program in all police districts.

16 I'm sure they will have a positive
17 impact that will enhance the community outreach
18 the Police Department is striving to obtain and
19 make our communities more informed and
20 knowledgeable.

21 Thank you for your time this
22 evening.

23 PRESIDENT FOREMAN: Thank you very much.

24 Our next speaker, Eunice Chatman.

POLICE BOARD PUBLIC MEETING
April 21, 2022

1 MS. CHATMAN: Hello? Can you hear me?

2 PRESIDENT FOREMAN: Yes, ma'am.

3 MS. CHATMAN: Good evening, Chairman. I
4 thank you so much for allowing me to speak again.

5 We're still having problems with
6 71st -- Family Fresh, 457 East 79th Street.
7 Eberhart Block Club members have been calling and
8 other residents have been calling, but they still
9 are a problem. They loiter outside. Come in and
10 out, in and out, doing things that are
11 questionable.

12 One Sunday, I am on my way to
13 church, they're on the corner. I come back from
14 church, they're on the corner.

15 The store was closed briefly due to
16 refrigeration. The City closed because of a
17 refrigeration issue. But it has reopened.

18 The DCO told me that they were
19 closed because they were also selling loose
20 cigarettes. I don't know how that was handled or
21 how it was addressed, but the store was -- on the
22 corner was clear when that store was closed.
23 There was no people out there loitering and what
24 have you.

1 Please help us. We need your help.
2 We want our community back. We're not going to
3 give up. Thank you so much for hearing me.

4 PRESIDENT FOREMAN: Thank you very much.
5 Our next speaker, Cece Edwards. Cece Edwards, if
6 you can press *6 to unmute.

7 Our next speaker, Matt Brandon. *6
8 to unmute, Mr. Brandon.

9 Our next speaker, Tiffany Smith.
10 Tiffany Smith.

11 MS. SMITH: Good evening. This is Tiffany
12 Smith. Thank you for giving us the time to speak
13 with you.

14 I'm Tiffany Smith. I am a resident
15 of the 6th District and a community stakeholder
16 in the 3rd, 4th, and 6th District.

17 I wanted to echo the sentiments of
18 Ms. Edwards with regards to Together We Can.

19 I've had the benefit of watching
20 community stakeholders, the neighbors, the block
21 club leaders come together with stakeholders such
22 as myself that work in the nonprofit world,
23 neighborhood housing services, to really leverage
24 the resources and the intellect and the knowledge

1 that we have in each of our communities.

2 I love this concept. And I really
3 hope that you guys grab ahold of this and
4 replicate it throughout the south side
5 communities.

6 There is a pilot, I believe, going
7 on in the 6th District. And I really encourage
8 the Police Board, as well as the Superintendent,
9 to put some resources behind this initiative so
10 that it can be rolled out consistently, and so
11 that we can gather the data to show how impactful
12 it can be to bringing our communities together,
13 to enlisting the support of the residents. And
14 really changing the narrative about the
15 relationship between law enforcement and the
16 residents of the south side.

17 With that, I say thank you for
18 giving me your time.

19 PRESIDENT FOREMAN: Thank you very much.
20 Our next speaker, Pebbles Prince.

21 MS. PRINCE: Good evening. Thank you, guys,
22 for having me.

23 April 11th, this year, a little
24 after 2:00 o'clock, I was sitting in the LaRabida

1 Hospital parking lot, 6511 Promontory Drive,
2 after work. An initial officer pulled up
3 alongside of me, asked if I was okay. I told him
4 yes. I just needed like ten minutes. And he
5 said, Okay, and he left.

6 Not even a good seven minutes had
7 passed. Next thing I know, I'm surrounded by
8 officers. So I tried to put my seat belt on,
9 because I just figured they were going to tell me
10 to leave. But one of the officers told me to
11 stay put. So upon approaching my car, the
12 officer just kept asking repetitive questions, Do
13 you have anything illegal in the car? Do you
14 have any weapons in the car? Asking me for my
15 identification. So once I started looking for my
16 ID, I looked around my car, and I have noticed
17 there was literally an officer at every point of
18 my car, so I felt uncomfortable, and I told him I
19 can't find my license but I can give my
20 information.

21 So the officer was writing
22 something down, and, like I said, he just
23 repetitively kept asking me the same questions
24 over and over again as if he was trying to coerce

1 me to agreeing I had something illegal in my car.
2 So I asked him if he could stop speaking to me as
3 if I had committed a crime, and he proceeded to
4 tell me get out of the car. So me knowing I'm
5 not arrested or anything, I told him no, at which
6 he proceeds to reach inside my car, open my door,
7 and he grabbed my arm with an attempt to snatch
8 me out my car. I immediately tried to grab my
9 phone, in which the officer snatched my phone. I
10 had to lean back and start my video in which the
11 officer seemed to back off. It seemed like --
12 I'd requested a white shirt on the scene, and the
13 sergeant on the scene didn't even step up until I
14 was visibly crying, shaken up, and requested him.
15 The sergeant told me I was in the wrong for
16 telling the officer no to getting out of my car.

17 So moving forward, like this
18 situation has really affected me to the point
19 where I've had to take off work just to get my
20 mind together. I have not been back to the lake.
21 And even to this day, like I don't even feel
22 comfortable coming outside my home anymore.

23 Moving forward, I would like an
24 investigation to figure out who the sergeant was

1 on the scene, the officer that proceeded to
2 attempt to pull me out of my car. I want to file
3 a complaint against the sergeant, a complaint
4 against the officer, and I would like an apology
5 from them.

6 PRESIDENT FOREMAN: Ms. Prince, first, I'm
7 sorry for the experience that you had. Mr.
8 Eaddy, is this COPA -- is this something where
9 she would need to get in touch with COPA?

10 DEPUTY CHIEF EPHRAIM EADDY: Since we take
11 all complaints, definitely that would be her
12 starting point. We would, based on what I'm
13 hearing -- I don't want to give a final
14 indication, but we would conduct a preliminary
15 investigation based on what she is stating
16 occurred and then determine if that would be
17 something that we would look into or refer it to
18 the Bureau of Internal Affairs. But I'm not
19 certain how I can get her information. I can
20 have someone reach out to you as soon as either
21 this evening or first thing in the morning.

22 PRESIDENT FOREMAN: So, Ms. Prince, we have
23 your telephone number. I'll have Jazmyne reach
24 out to you and give you a call and share COPA's

1 information, and we'll also share your
2 information with COPA.

3 MS. PRINCE: For contact information, I
4 would feel more comfortable if you guys contacted
5 Ms. Crista Noel with the Women's All Points
6 Bulletin.

7 PRESIDENT FOREMAN: Okay. We can do that.

8 DEPUTY CHIEF EPHRAIM EADDY: Definitely.

9 PRESIDENT FOREMAN: Okay. Thank you.

10 Our next speaker, Camiella
11 Williams. Camiella Williams.

12 MS. WILLIAMS: Hello. This is not Camiella
13 Williams. This is Cece Edwards. For some reason
14 my speaker wouldn't operate. But after this
15 speaker, may I be allowed to speak to you?

16 PRESIDENT FOREMAN: You are on, Ms. Edwards.
17 Let's rock.

18 MS. EDWARDS: Thank you. I didn't mean to
19 interrupt Ms. Williams' time.

20 PRESIDENT FOREMAN: That's all right.

21 MS. EDWARDS: What a day. Okay. I'm
22 calling based on the fact that I'm supporting
23 Together We Can and the Community Organized to
24 Win. I think both of those groups have worked

1 very hard to help us in our community, especially
2 on 75th Street in the 3rd and 6th District.

3 We had another murder there a few
4 days back. And this is not the first murder in
5 front of 606, the club that's there. There's
6 been numerous gang activity. I have been there
7 and been there personally at night with SWAT and
8 everything else going on there to try to help.
9 And it takes citizens' involvement to help the
10 Police Department. And Together We Can has done
11 that. Also with Community Organized to Win.
12 They have both worked together hand in hand. And
13 I think if this is a pilot, it should be
14 replicated in other districts across the City, on
15 the south, east, and the west side.

16 As you can go along one by one, you
17 know, little by little, because this is something
18 that people want to get involved in. They want
19 to -- communities want to participate to help
20 their own communities.

21 And, again, I can't stress,
22 gentlemen, how much I would like you to keep this
23 on the burner and really look at this seriously,
24 but this is something that can stop the violence

1 and can help. It's not all stopped, but can
2 reduce the violence, and it can help homeowners
3 who are having difficulties with businesses and
4 others that are not complying with the law. And
5 I appreciate you allowing me to have the time to
6 speak. Thank you so much.

7 PRESIDENT FOREMAN: Thank you. Ms. Camiella
8 Williams, are you with us?

9 Our next speaker, Linda Hudson.

10 MS. HUDSON: Hi. Can you hear me?

11 PRESIDENT FOREMAN: Yes, ma'am.

12 MS. HUDSON: My name is Linda Hudson. I'm a
13 resident and stakeholder in the 4th District. I
14 stand with Jennifer Edwards and Communities
15 Organized to Win in asking that you expand
16 Together We Can to include the 4th District.
17 With summer approaching, we know that crime will
18 increase. The community wants this and we need
19 it. We need more visibility from CPD and we need
20 Together We Can. Thank you.

21 PRESIDENT FOREMAN: Thank you.

22 First Deputy, you're hearing it
23 from the people participating, you have a willing
24 group of community residents willing to partner

1 with you. Let's look to see what efforts we can
2 put in place to allow them to support the efforts
3 and -- the efforts of the CPD in rebuilding the
4 community.

5 So thank you all from Together We
6 Can for your continued participation in Police
7 Board meetings.

8 Our next speaker, Dod McColgan.

9 MS. McCOLGAN: Can you hear me?

10 PRESIDENT FOREMAN: Yes, ma'am.

11 MS. McCOLGAN: All right. Hello, everyone.
12 My name is Dod McColgan. I am with the Chicago
13 Alliance Against Racist and Political Repression.

14 I first want to express my
15 solidarity with Ms. Pebbles Prince and express
16 that I join with her in her demand for an
17 investigation that's both swift and transparent.

18 I also came on the call today to
19 ask about what's going on with the investigation
20 into the Nikkita Brown incident that had occurred
21 with Officer Bruce Dyker. I heard you respond to
22 Crista Noel's question earlier saying it had been
23 referred to the Department of Law.

24 Considering all that you mentioned

1 about transparency at the beginning of this
2 meeting, what is the Superintendent's
3 determination in this case? If you can share it
4 with us. And if not, then when can the public
5 expect to hear whether or not Bruce Dyker is
6 going to be fired for his assault of Ms. Nikkita
7 Brown?

8 FIRST DEPUTY CARTER: Dana, if you wouldn't
9 mind as General Counsel.

10 GENERAL COUNSEL O'MALLEY: Sure. So as I
11 stated before, the case was referred to the
12 Department of Law for review. It is currently
13 under review by the Department of Law and that is
14 a privileged review at this time. Once the
15 review is complete, if they do proceed with
16 charges against Officer Dyker, that would be then
17 -- become public once those charges are filed.
18 But it's currently under review and it's
19 privileged at this point.

20 MS. McCOLGAN: And no requirement on when we
21 can expect to see that? There is no limit on the
22 amount of time it can spend in the Department of
23 Law?

24 GENERAL COUNSEL O'MALLEY: No, ma'am.

1 PRESIDENT FOREMAN: Thank you. Our final
2 speaker, Mr. Robert More. Mr. More, I see you
3 have two phones listed here. If you can mute one
4 of them, please.

5 MR. MORE: Can you hear me?

6 PRESIDENT FOREMAN: Yes, sir.

7 MR. MORE: Okay. I have three -- but I got
8 to put two of them to the back burner here. So I
9 got to discontinue this (inaudible) has
10 demonstrated that there's presumptive medical
11 murders going on all over the country, including
12 the City of Chicago presumptively. I can't get
13 to that one right now. And also the issue of the
14 2020 (inaudible) the election. I can't get to
15 that one, because I have to address the
16 timeliness before the indignation wanes in regard
17 to the U.S. Attorney announcing no federal
18 criminal prosecution of Jason Van Dyke.

19 First of all, if I get cut off, so
20 the rest of this document if I don't get to this
21 conveyance can be found at
22 [Jn21-15Protctr.tripod.com/Thrtolbgmpgrhm042122.](http://Jn21-15Protctr.tripod.com/Thrtolbgmpgrhm042122.html)
23 [html.](http://Jn21-15Protctr.tripod.com/Thrtolbgmpgrhm042122.html)

24 So I'm going to finish this. The

1 U.S. Attorney (inaudible) federal prosecution of
2 Jason Van Dyke for the murder of Laquan McDonald.
3 R.J. More submitted (inaudible) by U.S. Attorney,
4 to which no legitimate claim can be made.

5 And evidently the problem with the
6 Grand Jury to make a determination of probable
7 cause regarding whether Laquan McDonald was
8 denied various protections supposedly guaranteed
9 to all citizens under various provisions of the
10 Constitution of the honorable U.S. of A,
11 notwithstanding the City of Chicago will pay a
12 sum of \$5 million in regards to the murder to the
13 victim's family. And there's an argument
14 (inaudible) exercise such authority without
15 incurring (inaudible) in doing so, incurring COPA
16 (inaudible) for violations of 18, 242, and 1346
17 (inaudible) to be provided, RJM would certainly
18 consider that.

19 RJM (inaudible) the Grand Jury
20 foreperson, supervising the grand jury
21 proceedings presently being conducted in the
22 Northern District of Illinois.

23 Mr. Foreman, what's the legitimate
24 explanation that can be provided in regard to the

1 issue referenced in paragraph (inaudible) RJM
2 finds it necessary to demand you commence
3 consideration of the evidentiary content of the
4 state criminal prosecution of this murder and
5 (inaudible) the City of Chicago (inaudible). The
6 determination can be made by the citizens in this
7 district, whether or not Mr. Van Dyke ought not
8 to be subjected to --

9 PRESIDENT FOREMAN: I'm sorry, Mr. More.
10 Your time is up.

11 At this time, all members of the
12 public who signed up to speak have been called.
13 Is there a motion to adjourn?

14 BOARD MEMBER WOLFF: So moved. Paula Wolff.

15 BOARD MEMBER FLORES: Second. Steve Flores.

16 PRESIDENT FOREMAN: All in favor, please
17 signify by saying aye.

18 (CHORUS OF AYES.)

19 PRESIDENT FOREMAN: Thank you. The motion
20 passes and the meeting is adjourned.

21 Have a great week, everyone, and
22 stay safe.

24 were adjourned at 8:19 p.m.)
